CHIPPEWA INVITE A SUCCESS

On August 29, Chippewa hosted its annual Cross Country Invitational on a course that winds and loops through the Chippewa Jr/Sr High School grounds behind the building.

11 teams attended the invitational with a total of 277 runners for both high school and middle school. This invitational has become a local favorite thanks to the unique awards and trophies made by Daryl Lepley, the smooth race logistics, and the quality timing by Mid Ohio Race Management.

With the help of Athletic Director, Mike Bohley, volunteers, and coaches Scott Geiser (high school) and Aiden Douglas (middle school), Chippewa has a new annual event that showcases our schools and facilities in a big way!

Upcoming Cross Country Meets:

September 30: Cuyahoga Valley NP
October 7: Orrville

SCHADE GAINS STATE RECOGNITION IN CHOIR

By: Shauna Knight, HS Choir Director

Many people who walk the halls at Chippewa Jr/Sr High School are masking talents that are awe-worthy. One such person is senior, Hannah Schade. Hannah has been involved in choir since her fifth grade year and was recently accepted into the prestigious 2024 Ohio Music Education Association (OMEA) All-State Choir.

Each year, the OMEA organizes the All-State Choir. In order to qualify, participants must record an audition. The auditions must include a prepared solo, showcasing various vocal ranges. Over 1200 students from across Ohio sent in audition recordings in May. Of those 1200, only 140 were selected to participate in the All-State Choir. To demonstrate her range, tone, flexibility, intonation and musicality, Hannah sent in her recording and ended up being 1 of 22 Soprano I's chosen to participate in this year's ensemble. This is not an easy task, and in doing so, Hannah has created a distinguished name for herself.

In preparation for the ensemble, Hannah will attend several regional rehearsals. In addition to these rehearsals, she will travel to Columbus for three days of rehearsal with the full choir which will culminate with a performance under the direction of Dr. Hilary Apfelstadt, Director of Choral Activities and Professor of Conducting from The University of Toronto.
