OHSAA Middle School Athletics Parent Information Guide

As a Middle School parent who may be new to organized athletics, here are a few guidelines for athletic participation.

These items must be taken care of *before* practice or participation in contests may occur:

1. A sports physical must be on file in the office.

Physicals can be done by a family physician or during the school-sponsored date.
All physicals must be completed on the OHSAA form.

2. Athletic Emergency Medical form must be completed and on file in the office.

3. Chippewa Athletic Consent Approval Form must be completed and on file in the office.

4. Parents/Guardians will keep the following Forms for their records

Form A – OHSAA Authorization

Form B – OHSAA Eligibility and Authorization Statement

Form C – OHSAA – The Parent Pledge

Form D – Chippewa Local Schools Athletic Training Rules

Form E – Ohio Department of Health Concussion Information Sheet for Interscholastic Athletics

Form F – Student Insurance Program – offered if you do not personally have insurance

5. All School fees must be paid before FIRST contest.

6. Students must be academically eligible (receive passing grades in five subjects from the preceding grading period.) Incoming 7th graders will be eligible during the first grading period.

7. Students must attend school for at least half a day (by 11am) to practice or compete that evening.
Exceptions must be approved by administration.

8. I have viewed the OHSAA Preseason informational video, www.ohsaa.org.

**All forms are available in the main office of the school or can be found on our website.
Feel free to call or email if you have any questions regarding Middle School Athletics.

Thanks,

Jamie Zollinger
