

HEALTHY BREAKFAST= HEALTHY STUDENTS!

Studies indicate students who eat breakfast are more alert and attentive. They are less likely to cause discipline problems; they perform better in the classroom and on tests, and are less likely to complain of headaches and stomachaches.

The school breakfast program guarantees that your child gets a nutritious meal. Recognizing how important it is for students to have a nutritious breakfast, Chippewa Local Schools Food Service Department offers breakfast daily in all schools.

Breakfast is available at the start of everyday in all the school cafeterias.

The *BREAKFAST PROGRAM* is for ALL children!!

If you have Free/Reduced Lunch Application on file, your student will be eligible for a Free/Reduced Breakfast. Breakfast price for all schools is \$1.50 and \$0.30 for Reduced.

This institution is an equal opportunity provider.
