Blue Ribbon Celebration

Congratulations!
Hazel Harvey Elementary
2018 National Blue Ribbon School

What does it mean to be a National Blue Ribbon School?

It means that our students, staff and school have been nominated and recognized as being "Elite" among our peers in the state of Ohio and across the nation. It means we have established a climate and culture that demands excellence and provides opportunities for ALL students to achieve and perform at their very best. It means that we have differentiated our instruction to meet the needs of each learner while still providing rigor in the classroom daily. It means that we are not content to do what we have always done, we aim to be better each and every day!
