12/17/2021

Dear Students, Families, Staff and Community,

I truly appreciate everyone's cooperation as we continue to work through this pandemic. Unfortunately, many of the disruptions are influenced by outside factors in which I lack control as a District Superintendent. The next disruptions will take place on Friday, February 26 and Friday, March 26.

Our school district staff will be vaccinated off campus on Friday, February 26 and the second vaccination will be given on campus Friday March 26. In order to minimize the disruption in our instructional practices all students will work remotely on these days. Since we do not control the vaccination schedule the availability of teachers to meet with students will vary based upon their vaccination schedule. Teachers and Principals will communicate with students and families regarding their particular grade level and classes as we gather information regarding the vaccination process and times.

Thank you for your cooperation, and feel free to contact you child's principals for more information if you have any questions. Have a great day and Go Chipps!

Sincerely,

Todd S. Osborn, Superintendent
Chippewa Local Schools
