

Safe Home Pledge

Chippewa Cares and the Chippewa School District are committed to helping ensure a drug, tobacco and alcohol free environment for our students, both on and off campus. In order to help, we are offering this optional directory and pledge. High School and Middle School parents are invited to sign the Safe Home Pledge below, and can choose to be in a Safe Home Directory. The purpose is to help create a healthy environment for Chippewa students and to facilitate open communication with and among parents.

- > I pledge not to allow parties or gatherings in my home when there is no adult supervision.
> I will not allow teenagers to use drugs, alcohol, or tobacco in my home, nor will I help minors to obtain any of these substances.
> I welcome phone calls from other parents about the presence of their teenager in my home or at an activity I host.
> I promise not to permit a teenager whom I believe to be under the influence of alcohol or drugs to drive, and I further promise to contact his/her parents or the responsible adult.
> I pledge to provide safe transportation for my teenager if he/she finds him/herself in a situation that is uncomfortable or threatening.
> I promise to discuss this pledge with my teenager.

PARENT NAME (please print) _____

PARENT SIGNATURE _____

STUDENT NAME(S) _____ GRADE _____

_____ GRADE _____

STREET ADDRESS _____

CITY _____ ZIP CODE _____

PHONE NUMBER(S) _____

EMAIL _____

PLEASE CHECK ONLY ONE:

___ To improve communication, I am willing to have all of my contact information shared with other Chippewa School parents who signed this pledge. (The Directory is being revamped this year. Even if you were in it before you need to opt-in to be included. Only parents opting to be included will receive the directory.)

___ I am willing to have my name shared, but not my phone number and email.

___ While I support the pledge, I prefer not to have any information shared, including my name.

PARENT ALERTS: Please add my email address on Chippewa Cares' Parent Alerts subscriber list. Parent Alerts are emailed about 12 times a year to help keep parents informed about drug trends and helpful tips. Initial here _____
