

Dear Parents,

Hello, I am so excited to teach your child Language Arts this year! There are a few things that I would like to explain. At the beginning of each quarter students will be given a pre-assessment over the concepts that will be taught during that quarter. This is to evaluate the student's ability on those concepts. During the quarter all of the pre-assessed concepts will be taught and the students will take a post-assessment at the end of each quarter. Students will also be assessed in a variety of ways during the quarter over novels that we will read and other concepts relating to the material that is covered. I will also use a Common Core workbook and assessment grades will come from that as well. Students will also be responsible for a book project each quarter. Please sign up for Remind. This is the easiest way to keep up to date with your child's assignments. Please use the following link to sign up: rmd.at/mrsferris1

Thank you and if you have any further questions, please email me at chip_lferris@tccsa.net

Have a wonderful fall!

Mrs. Ferris
